PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

At next Monday's meeting of the county commission I plan to introduce a resolution asking the state road department to make construction of a new road between Pahokee and Belle Glade its No. 1 project in Palm Beach county. It isn't child's play to get such a resolution passed in the first place. When you out-talk four fellows who have been on the board for many years and who have their own pet road projects, it can be added up as a fair day's work. Then, after the resolution is passed it calls for more work on the road department to get them to do something about the whole thing. Keep your fingers crossed. If you have an extra rabbit's foot you're not using, I'd like to borrow it for next Monday's meeting.

New crossing signal lights are going up at the light plant railroad crossing and at South Bay. I'm going to take just a little bit of credit for erection of these lights since I've been working on the deal for nearly two years. Better late than never, someone said.

Dwight Rogers Is Lions Club Speaker

Congressman Dwight L. Rogers of Fort Lauderdale gave a review of the accomplishments of the 79th Congress at the Tuesday luncheon meeting of the Pahokee Lions Club. The guest speaker was introduced by L. J. Fraser, program chairman. He was one of the sponsors of the bill which provides terminal leave pay for enlisted men and the first bill he plans to introduce in the 80th Congress will make the bonds issued as terminal leave pay, negotiable, he said.

It was announced that Principal D. D. Caudill is compiling a list of local school children in need of sight correction. When this list is completed it will be turned over to Roy Segree, Lions sight conservation chairman, who will make arrangements for corrective treatments of the eyes of the children on the list.

Edward A. Jensen introduced A. C. Santo and Harry Fremd as new club members. Luke Fraser announced that members of the Everglades B&PWC will present the program and be the guests of the Lions at the luncheon meeting next week. Visitors were: A. Q. Howell, D. D. Caudill, Harold Wilkinson, P. P. deMoya, Bill Bosworth and Roy Cox of West Palm Beach.

BRIDGE APPROACHES REPAIRED

Approaches to bridges over the canal on Pahokee-Belle Glade highway were repaired this week by county road forces. Several loads of rock were hauled in to ease the approaches after the state road department had done some repair work on the bridges.

Rardin Will Make Effort To Have New Pahokee-Belle Glade Road Made No. 1 Project In County By State Road Dept.

By resolution introduced by Commissioner Paul Rardin of Canal Point, the county commission called on the state road department Wednesday to furnish it with a location map of a proposed new state road between Pahokee and Belle Glade. Commissioner Rardin served notice he would ask the county board to go on record next Monday, Oct. 14, in regular meeting by resolution asking the road department to make the new road between Pahokee and Belle Glade its "No. 1 Palm Beach county project."

"The existing road is worn out," Commissioner Rardin told the board, adding, "these two towns' economies are closely related and they must have a servicable road to survive."

The present Belle Glade-Pahokee route has been resurfaced twice by the state and is constantly in need of cold patching.

Freak Hurricane Fizzles Out Before Any Damage Done

For the past several years it has been so common to attach the adjective "freakish" to the description of hurricanes that we have come to the conclusion all the big blows that come rumbling out of the Caribbean in the fall of the year are more or less of a freakish nature and perhaps it is that factor, of never knowing what to expect from them, which makes hurricanes so terrifying to most people.

Last weekend the tropical storm that ripped through the western tip of Cuba, killing four, and destroying \$2,000,000-worth of crops, was no exception to the rule of freakishness. As it churned up through the Gulf of Mexico it appeared certain that the State of Florida was in for a terrific beating, that losses to citrus and vegetable growers would run into the millions. Shivering with anxiety, residents throughout the state batted down their homes and awaited the worst, which never came.

Somewhere in the Gulf the hurricane lost its "eye" of destruction and dissipated into squalls. Nowhere in the state did the winds exceed gale force. The rainfall was relatively light and the overall damage negligible. One could sense the huge sigh of relief and the fervent prayer of thankfulness that rose from this fair land Tuesday morning after the danger had passed.

South Bay Seeks Water Plant Bids

Next Wednesday, Oct. 15, the Town of South Bay will receive bids for construction of a new municipal water supply and distribution system including cast iron mains, valves, fittings, fire hydrants, service meters, elevated tank, and a water treatment plant to process water from Lake Okechobee.

SUPPER POSTPONED

The supper for the deacons, past-ors and wives arranged for last Monday in Fellowship Hall at Pahokee Baptist Church was postponed because of the storm threat. Monday, Oct. 21, is the new date.

Pahokee PTA Plans For Next Meeting

A reception for Pahokee school teachers and officers and a Boy Scout Court of Honor will be included in the program at the first regular meeting of the Pahokee Parent-Teacher Association to be held in the school auditorium Monday, Oct. 14, at 8 p. m. Carl A. Moberg, president, will outline plans for the coming year which includes a membership goal of 600. Preceding the regular meeting the PTA executive board will meet at the high school at 7:15 p. m.

Three Young Men Hurt In Car Crash

Three Lake Worth young men, Max Holland, S. I. Garrett and Fritz Jerone, were brought to the Everglades Memorial Hospital Wednesday night for treatment of injuries received when the 1946 Ford pickup truck in which they were riding turned over a couple of times on Connors Highway 14 miles east of Canal Point.

The accident occurred around 6:30 p. m. The three men, all employees of Farren's Tree Surgeons company in Miami, were returning home after a day of work in the Glades area. Holland, who was driving, lost control of the truck when a long ladder fell from the side and he cut the wheels sharply to avoid hitting some trees.

One of Holland's arms was fractured and severely lacerated. Jerone suffered a head injury, cuts and bruises. Garrett apparently escaped with minor bruises. All three of the men were held at the hospital Tuesday night for x-ray pictures and a more thorough examination Thursday morning. The truck was badly damaged, according to state Highway Patrolman W. R. Kaufman, who investigated the accident.

CANAL POINT PTA

The next regular meeting of the PTA in Canal Point will be held on Tuesday Oct. 15, it has been announced. The program under the direction of Mrs. Clara Maurer, program chairman, will consist of a film on "Youth in Crisis," and a talk on the same topic by Rev. W. T. Blair of the Canal Point Methodist church. All members of the organization are urged to be in attendance.

First Beans Go To Market Thursday

First beans of the 1946-47 season were on the market yesterday from the Vandegrift-Williams Farms. The beans were from a 15-acre tract of bountiful. Hugo Boe, farm superintendent, said the beans averaged between 60 and 90 bushels to the acre which is around three-fourths of a normal yield. The beans came through the wet September weather only in fair condition. As far as this reporter knows the Vandegrift-Williams beans were the first of the season.

Alley's Blue Devil Squad Meets Palm Beach Hi Tonight

Local football fans expect the Pahokee Blue Devils to undergo their hardest test to date when they meet the Palm Beach Wildcats on Anderson Field, West Palm Beach, this Friday night. Neither team has been defeated so far this season. The Blue Devils downed Ponce de Leon, 14 to 13, and Miami Tech, 14 to 0, while the Wildcats have won 12 to 0 from both Belle Glade and Fort Pierce and played a scoreless tie with Fort Lauderdale. Both coaches, the Blue Devils' Clyde Alley and the Wildcats' H. M. (Red) Whittington, have expressed the belief that the other's team is from two or three touchdowns stronger than his own.

Everyone in the Pahokee-Canal Point area, well, practically everyone, is pointing with pride to the 1946 Blue Devil team. It has been longer than most residents can remember when Pahokee was able to boast of a team as well balanced and hard driving as this year's aggregation. At the start of pre-season practice Coach Alley said there would be no stars on the team. Maybe he meant to say there would be all stars for that is the way his team performed in the first two games. Perhaps a few things stood out—Wilbur Geiger's educated toe and smart work at quarterback position, Frank Gillis's low, clean tackles, Fullback Thomas Dickson's horizontal plunges through the middle of the line, the swivel-bipped speed of the Connell Brothers, Rodney and Hueston—but up to now every player has been doing his job surprisingly well and what is equally (continued on page 2)

Doesn't Like Idea Being Part Pahokee

A rumor has been flitting about the village this week in regard to some one's idea of incorporating Canal Point into the municipality of Pahokee. On every street corner and in almost every assembled group discussion could be heard about the proposed plan.

Vann Stuckey, extensive property owner in Canal Point, had the following to say about the proposal: "If incorporation is necessary let's incorporate Canal Point and stay away from any idea of having the town incorporated into the City of Pahokee."

Signal Lights At R. R. Crossings Will Be Erected At Once

Keeping everlastingly at it brings success! Who said that?

It really doesn't matter who said it, but it pays off. If you don't believe it, wait a few more days and you'll see that signal lights are to be erected at the railroad crossing in Pahokee near the light plant and at the crossing at South Bay.

County Commissioner Paul Rardin has worked continuously on a program that calls for signal lights at all crossings in the Glades and erection of these two mentioned lights is fruit of his efforts. The two lights will be installed and put into operation within the next few days, if present plans work out. Foundations for the lights are poured and erection will take place just as soon as the sight is oked by State Road Department engineers.

These signals are constructed by the railroad company under supervision of the state road department and the railroad company is reimbursed by the federal government through the public roads administration for the cost of construction.

Commissioner Rardin is anxious that another light be installed at Stuckey's Crossing on the FEC between Pahokee and Canal Point. At the present there is no commitment on the part of the railroad or state road department for installation of this particular light, Rardin said.

Notables To Speak At Convention

Roy Segree, president of the Everglades branch of the National League, said this week that Governor Millard Caldwell will be invited to deliver the address of welcome at the annual convention of the National League to be held in Palm Beach in January. U. S. Senator Spessard L. Holland has been invited to speak before the gathering on the third day of the convention, Mr. Segree said.

The annual convention is scheduled for the Biltmore Hotel in Palm Beach and already more than 1300 have made reservations from various cities in America. Mr. Segree and his Glades committees are to be in charge of the entertainment for the convention and are working to present a most interesting program.

DIAMOND BALL GAMES

Game schedules for the newly organized Glades Diamond Ball League are nearing completion and league games are expected to start soon, according to Dorsey Puch, league manager. The League, sponsored by the Pahokee Lions Club, will be composed of from six to nine teams and games will be played at night on Bateman Field, Bacom Point Road. The new lighting system recently installed at Bateman Field has already been tested in several practice games during the past 10 days.

Ye Shall Know Them

By their greed ye have known them. We saw them buy up coffee until it spoiled back in the days when coffee was unrationed. We observed them fill their basements with sugar, their dresser drawers or closets with scarce cigarettes during the war. In recent months they have been buying up flour in large lots while the world is hungry.

They too have gone into the black-market they have held goods off the markets, they have grabbed big war profits on contracts, they have hijacked wages. They have balked at agreements that would give us peace. These are they who form the hosts of greed. These are they who make all government plans for reconversion difficult of success. These are they who threaten the peace and happiness of the world's tomorrow. Verily, by their greed we have known, do know, and shall know them.—Winston-Salem (N. C.) Journal.

Chandler Wise

Commissioner of Baseball A. B. Chandler has set aside a rule established by his predecessor, Judge Kennesaw Mountain Landis, by which those who have interests in racing could not participate in the ownership of baseball clubs. There never was any excuse for the ruling. It showed a lack of sportsmanship and constituted an unfair sideswipe of one great sport against another. Neither can profit at the expense of the other.—Lexing (Ky.) Herald.

**THE PAY OUT IS INCREASING
FASTER THAN THE TAKE IN**

Your Telephone Company is doing the largest volume of business in its history, yet telephone earnings are still declining rapidly.

The reason is perfectly clear. Your telephone rate has remained the same for many years while the cost of furnishing you telephone service have increased. Wages, telephone materials, building costs, services, all have been going up so fast that—

the amount of money Paid Out to provide service is increasing faster than the amount Taken In. Actually telephone earnings today are the lowest in our history!

As every business man knows, good service depends on reasonable earnings. That is basic. To render good telephone service and to continually improve and expand it, reasonable telephone earnings are essential.

Our public duty demands that we report these facts to you.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY
INCORPORATED

NO BUSINESS CAN GIVE ADEQUATE SERVICE WITHOUT ADEQUATE EARNINGS

Alley's Blue Devils—

Continued from page 1
as important, many of the reserves are practically as good as the first string. Yes, it's going to be hard to stop the Blue Devils this year if Coach Alley can just keep that bug of overconfidence from biting his men.

For the first minute or so in the Tech game Friday night looked as if there was no way the Blue Devils could stop Tech's Halfback Pudgy Hay but they soon got his number and it was seessaw battle through the first quarter. Pahokee struck pay dirt in the second quarter when Geiger quick kicked from the Tech 40 and the ball was downed on the 5. From there Hay took it back to the 11 and kicked to his own 36 where it was snatched and carried back to the 32 by Geiger. Dickson gained four yards to the 28 from where Frank Gillis in a brilliant run through right guard carried the ball to the 5. Dickson plunged three yards to the 2 and then across on his second try. Geiger kicked the point. The Blue Devils scored again in the third quarter with the ball on their own 37 when Rodney Connell in a double reverse play skirted around left end and behind excellent interference ran all the way down the field for a touchdown. Geiger again kicked the extra point. Although Tech's Blue Blazers gained a lot of yardage rushing they didn't possess the sustained power to threaten Pahokee's goal line at any time during the game.

In tonight's game with the Wildcats, Coach Alley says he will probably start James Latham, left end; James Sims, left tackle; J. E. Spooner, left guard; William Weathers, center; Bobby Baker, right guard; Milton Salvatore, right tackle; Harry Fremd, right end; Wilbur Geiger, quarterback; Rodney Connell and Frank Gillis, halfbacks; Thomas Dickson, fullback. The Pahokee High School Band and a large number of fans will accompany the team to West Palm Beach.

McCLURES RETURN HOME

Mr. and Mrs. O. B. McClure returned to their home in Pahokee Tuesday night after spending several months with friends and relatives in the western states. They left Pahokee on May 17 and enjoyed a leisurely trip to Colorado where they started their vacation.

IN THE CIRCUIT COURT OF THE FIFTEENTH JUDICIAL CIRCUIT, IN AND FOR PALM BEACH COUNTY, FLORIDA. IN CHANCERY.

TERESA A. ADDISON, Plaintiff,
vs.
ROBERT H. ADDISON, Defendant.

NOTICE TO APPEAR
It is hereby ordered that you, Robert H. Addison, whose mailing residence as particularly as is known to the plaintiff is P. O. Box 65, Nassau, Bahamas Islands, you being the defendant in this cause, are required to appear in person or by attorney on the 25th day of October, A. D. 1946, to the Bill of Complaint filed against you in this cause in the Circuit Court of the Fifteenth Judicial Circuit in and for Palm Beach County, Florida, wherein Theresa A. Addison is the plaintiff and the relief sought being a decree of divorce otherwise the allegations of said Bill of Complaint will be taken as confessed by you. It is hereby further ordered that this notice be published for four consecutive weeks in the Everglades News, a newspaper of general circulation published in the County wherein this Court is located.

Witness my hand and seal of the Circuit Court in and for Palm Beach County, Florida, this 19th day of September, A. D. 1946, at West Palm Beach, Florida.

J. ALEX ARNETTE,
Circuit Court Clerk.

By Thaddeus P. Plant,
Deputy Clerk.

F. A. Currie, Plaintiff's Attorney,

HOME FROM HOSPITAL

Ronnie Elliott, son of Mr. and Mrs. B. Elliott of Pahokee, was brought to his home this week from a West Palm Beach hospital where he was treated for polio. Ronnie is recuperating exceptionally well and doctors believe that within a few more weeks he will be "as good as new." At present he is taking it easy in an effort to fully regain his health.

FARM BUREAU SECRETARY GUEST OF L. L. STUCKEY

John Ford, secretary of the Florida Farm Bureau with offices in Orlando, spent Thursday in Pahokee where he was a guest of L. L. Stuckey, chairman of the Florida Vegetable Committee. The two vegetable men attended to business pertaining to the vegetable deal while Mr. Ford was in Pahokee.

Life On The Campus

AT PAHOKEE HIGH SCHOOL

Under the direction of Robt. O. Lampl, Band Director, a Junior and Senior Glee club is being organized this year. Many students are taking part, and promising results are expected under such fine leadership.

The Red Cross Student Council held its second meeting Tues., Oct. 1. Discussion began concerning an affair to secure gifts for the Naval Hospital disabled veterans. A dance was scheduled for Saturday, Oct. 12, at 8:00 P. M. in the school gym. Various committees were appointed to take charge of the affair. We hope to have a large number because the dance is for the benefit of the convalescent men.

A short play held the attention of high school students Friday in assembly. The program opened with a flag salute and Bible reading. Mr. Caudill brought out the point that the highest honors bestowed upon a student was that of a senior officer. Harry Fremd, senior class president, introduced the officers: Vice President, Ed Howell; Secretary, Betty Sears; Treasurer, Peggy Moberg, and Re-

porter, Connie Marshall. Peggy Moberg, treasurer, presented Harlan Sears, junior class president, with a check of \$25.00 to start off the year's activities. Following the play pertaining to courtesy, the students went out on the football field for a successful pep meeting under the leadership of the P. H. S. cheerleaders.

The drink, hot-dog, and ice cream stand, operated by the Junior class, went over with a bang at the football game last Friday night.

There was no trouble selling all the goods on hand. Business managers, Dickie Johnson and Ray Hatton reported that all the hot-dogs were gone before the half, and the drinks and ice cream shortly thereafter. A definite shortage of drinks has occurred, and anyone who can help relieve this, please notify one of the managers.

In behalf of all our classmates, we the business managers, take this opportunity to thank the football fans for your patronage and assure you that we will do everything possible to supply you with these little extras which mean so much to the enjoyment of a game.

Working in shifts at the stand were: Sibyl Jensen, Eleanor Humphrey, Louise Hamilton, Patsy Creel, Martha Scruggs, Helen Sterns, Doris Riddell, Elwood Dart.

DeWitt Andrews, Harlan Sears, Ray Hatton. Mrs. Mock, sponsor, was present when needed.

The Juniors also wish to thank the Seniors for continuing the custom of presenting the class with a check for \$25.00 to begin their year's activities. Peggy Moberg, Treasurer, presented Harlan Sears, Junior President, with the check at assembly.

Interest Increases In Men's Bible Class

With the season getting under way in full, increase in interest and attendance is the note of joy on the hearts of the members of the Pahokee Men's Bible Class, H. L. Jaudon, President. A most inspiring and helpful meeting by the Membership Vice President Thurmond Knight and his group captains the Messrs. W. J. Adams, C. A. Batchelor, E. J. Carlton, Ralph Grimes, Elsworth Keen, J. R. Miller, Sr., H. G. McGouirk, Claude Shirley, L. Whidden, Paul Watson, C. 'Windy' Willis and Dave Young, was conducted Monday night.

Plans for a buffet supper one night in November for the men and boys were laid. The oldest and youngest fathers and the oldest and youngest boys will be recognized. An outstanding speaker is being arranged for by Group Captain E. Keen and Fellowship Vice

President Claude Shirley. The Business Woman's Circle with Mrs. W. Tillis, President, will be in charge of the supper arrangements. A special campaign to enroll two hundred will begin this Sunday.

Thursday night, under the chairmanship of C. R. 'Bud' Wroten, a fish fry will be given, beginning at six o'clock. The ladies will be the special guests. The 'Knights of Neptune', Cowart boys, Young, Weaver, et al, will assist in the culinary department. All unaffiliated men of this area are most cordially invited to attend.

This Sunday in Fellowship Hall, the teacher Rev. C. A. Moberg will discuss the lesson, "The Conversion of Paul." The Class Quartet will sing. The class meets at 9:45 and extends to all unaffiliates a most cordial invitation. Messrs. Al Belcher and Homer Barnes will serve as greeters this Sunday and

the failure of a handshake incurs for them a penalty in the form of a visit to a soda fountain.

Canal Point Boys Organize 4-H Club

Canal Point 4-H Club Boys organized last week and elected officers to carry on business of the club. Milton Clinard was chosen president and Harvey Pope vice president. Ray Hayes was named secretary and Wiley Howell reporter.

Regular meetings will be held on the second Thursday afternoon in each month and on the fourth Thursday night there will be a night meeting.

H. L. Speer, assistant county agent, is club leader and Roy Pope is assistant leader. Projects will take in vegetables, poultry, calves and pigs.

Chaplain Lively Speaks To Scouts

Chaplain A. J. Lively, rector of the Episcopal Church of the Holy Nativity, was guest speaker at a meeting of Pahokee Boy Scout Troop 23 in the scout hut Thursday night. A man who receiving scout training in his youth, the speaker said, forever cherishes the memory of that training and it is the continued interest of these men through life in improved scouting techniques that makes the Boy Scout Handbook second only to the Bible in total volumes sold yearly in the United States.

The troop made plans to send a swimming team to the Boy Scout swim meet at the Lake Worth Casino on Saturday, Oct. 12. Scoutmaster Melvin Spooner announced that between 15 and 20 members of his troop will be eligible to receive awards at the Court of Honor to be conducted as part of the Pahokee PTA program on Monday, Oct. 14.

Mary Hall, small daughter of Mrs. J. L. Hall, returned to her home here Monday from Good Samaritan Hospital, West Palm Beach where she spent several days receiving treatment for blood poisoning.

WIENER ROAST

Carolyn Chaney entertained at her home on Bacom Point Road with an outdoor party and wiener roast Wednesday afternoon. Guests were Rita Abbott, Donna Jo Spooner, Lois Sullivan, Sara Jane Baker, Donald Pickett, Don Adams, Judy Knight, Elsie Stamps, Eleanor Walker, Olin B. Williams and Thelma Vann.

DEGREES CONFERRED

FFA State Planter Degree and emblems were conferred on Bill Elam, Harry Fremd, Edd Howell and Bill Justice at a meeting of the Pahokee Chapter, Future Farmers of America, held in the Pahokee High School agriculture building Tuesday night.

The State Planter is the highest FFA degree that can be awarded to a high school student. To become eligible for this degree an FFA boy must have completed two full years of FFA work and cleared \$500 or more on his individual FFA project. During those two years he also must have a record of passing grades on all subjects studied at the high school.

Plans were discussed for initiating the FFA green hands into the chapter. Edd Howell, treasurer, gave a report on the chapter's finances.

Mr. and Mrs. Thomas Miller of Pahokee announce the birth of a son at the Everglades Memorial Hospital on Wednesday, Oct. 9.

Kennen Given Old City Hall To Move It

For several years, ever since the new city hall was completed, the city has offered the old city hall building free of charge to anyone who was willing to move it from the city hall grounds to where it is firmly anchored with a solid concrete foundation and floor. At the City Council meeting Tuesday night this offer was accepted by Charles W. Kennen who has 30 days in which to move the building and assumes all the expenses of moving it. The building is now in use as a public library and as yet the council has made no provisions for moving the books to a new location.

The 42 street lights installed by the Florida Power and Light Company last month received such a favorable reaction from the public and made such a distinct improve-

ment in the city's street lighting system that the Council authorized the FP&L to install 54 more of the bracket-type street lights.

Police Chief Altman Morgan was authorized to raise the salaries of members of his police force to \$225 a month, the raises to be made at the chief's discretion. Morgan, himself, was given a police chief's expense allowance of \$50 a month. The resignation of Officer J. W. Upthegrove from the police force was announced.

W. J. Larrimore, justice of peace, was granted office space on the second floor of the city hall. The street department was authorized to purchase a 165-gallon tar kettle for use in street repairs. The Council took action to have the city assume the expenses for lighting Bateman Field for Glades Diamond Ball League night games the next two months.

Fay Barfield Has Birthday Party

Mr. and Mrs. C. A. Barfield entertained recently at their home in Canal Point with a dinner party honoring their daughter, Miss Fay Barfield, on her birthday anniversary.

Guests were Mr. and Mrs. Walter Boatwright, Mr. and Mrs. R. E. Barfield, Mr. and Mrs. J. D. Bennett and son, Russell, Mr. and Mrs. V. D. Horne and son, Lynn, Mrs. Charles A. Baker, Miss Irene Shackford and B. W. Wood.

Mrs. Lee Rawls, Miss Annette Kahn and Mrs. W. A. Howell attended a style show in the interest of Kahn's and the K&J department stores at Tampa the first of the week.

TWO REGIONAL FAVORITES TOPS IN FLAVOR

NOODLE RING

RECIPE. Use—3 cups cooked noodles; 1 can mushroom soup; 1 cup milk; 1 cup grated cheese; 1 large can tuna, broken into small pieces; 1/2 green pepper; pimiento, and mushrooms, to garnish.

Mix ingredients together and turn into baking dish. Sprinkle with buttered bread crumbs; garnish with narrow strips of pimiento and a few mushrooms. Bake for 20-30 minutes at 375°F. Serve with hot rolls, fresh green salad and frosty JAX Beer.

Serves six.

JAX has mailed \$5.00 to Mrs. J. M. Johnson, Ocala, Florida, for this fine recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

AND FROSTY BOTTLES OF JAX BEER!

When the cook is inspired to put these two together, words of praise are bound to follow. Just imagine! . . . golden, tender noodles with a delicate seafood flavor and plenty of JAX Beer to bring added mealtime enjoyment.

Yes, you'll appreciate the quality of JAX, the sparkling Drink of Friendship, for JAX is a premium quality beer. In addition to its premium goodness, JAX has another very special quality designed to please particular tastes of discriminating Southerners. This is the "brewed for regional tastes" quality that makes JAX a great regional beer. From now on, enjoy JAX with your meals . . . Serve it often just for refreshment!

GOVERNOR'S MANSION — The executive mansion, as the official home of the governors of Florida in Tallahassee, is one of the finest examples of Georgian-Colonial architecture in the entire South.

Eleven Florida Governors Have Occupied Mansion in Tallahassee

For many years prior to Governor Napoleon Bonaparte Broward's administration, 1905-1909, there had been discussion of providing a suitable "governor's mansion" in Tallahassee, but a formidable minority of citizens frowned on what was then called "wasting the taxpayer's money."

Florida acquired territorial status in 1821, under General Jackson. It entered the sisterhood of state in 1845, but it governors had lived here, there, and everywhere, until 1907.

However, Governor Broward secured the appointment of a com-

mittee with authority to see that a suitable building was built for the home of future governors of Florida. This committee, with powers to obtain a site, prepare plans, and award contracts for the erection of a governor's mansion, met on April 17, 1906. The plans were prepared by H. J. Klutho, an architect of Jacksonville. O. C. Parker of Tallahassee was awarded the contract for the erection, in the amount of \$23,462, later scaled down to \$21,242.

The site selected, comprising a whole block of eight city lots, was bounded on the north by First avenue, on the east by Adams street, on the south by Brevard avenue and on the west by Duval street. George W. Saxson, at that time one of the leading bankers of this city, contributed four of the lots free of charge.

Early in January, 1907, Governor Broward moved his family to the new mansion. Since that date, the mansion has been used by the following governors: A. W. Gilchrist, 1909-1913; Park Trammell, 1913-1917; S. J. Catts, 1917-1921;

Cary A. Hardee, 1921-1925; John W. Martin, 1925-1929; Doyle E. Carlton, 1929-1933; David Sholtz, 1933-1937; Fred Cone, 1937-1941; Spessard Holland, 1941-1945; and Millard Caldwell, 1945-(to date). Prior to the establishment of the chief executive's mansion here, 24 chief executives of Florida (including the days when Florida was a territory and not counting Gen. Andrew Jackson, governor of East and West Florida, (1821-1822), had been on the loose in this city, hunting a suitable place to live in keeping with the dignity of their office.

When interviewed yesterday, O. C. Parker of Tallahassee, who was awarded the contract, said it take considerably more than \$80,000 to erect the governor's mansion in light of present day costs.

Thus, after 40 years of service to the state as a residence for Florida's chief executives, it is unanimously believed, that the taxpayer's money was not wasted.

Today, the governor's mansion is a "must see" on the itinerary of every visitor to the state who passes through Tallahassee.

Business Circle To Send Gift Boxes

The Business Woman's Circle, First Baptist WMU, voted to send gift boxes to the Baptist Children's Home in Arcadia and to the negro project in Tallahassee at a meeting held Tuesday night at the home of Mrs. Wiley Tillis. Mrs. C. B. Starling was elected publicity chairman of the circle and the election of Mrs. C. L. Shirley as general secretary of the local WMU was announced.

The group chose "Let Us Now Prepare to Build" as the theme for the year and "World Investments for Southern Baptists," the topic for the month. Mrs. R. S. Douthitt was in charge of the Bible study at the meeting. Others taking part in the program were Mrs. W. M. DuBose, Mrs. Homer Barnes, Mrs. C. A. Moberg, Mrs. H. L. Speer, Mrs. Ralph Grimes and Mrs. Marvin Unwin.

Mrs. Othman Gilbert, retiring circle chairman, was presented with a gift by Mrs. Horace Unwin in behalf of the group. Mrs. Seth Roberts, Mrs. M. Unwin and Mrs. DuBose assisted Mrs. Tillis in the serving of refreshments. The next meeting will be at the home of Mrs. James Harry Wilkinson, Jr.

Mr. and Mrs. T. E. Hollingsworth and son have moved from Arcadia to Pahokee where Mr. Hollingsworth is employed at the City Ice and Fuel Company plant on Belle Glade Road.

John A. Dulany and Roy Segree spent the first of the week in Jacksonville on business.

Mr. and Mrs. Garland Chaney and daughter have returned to their home here from Hendersonville, N. C., where they spent the summer.

Young Salvatore Is Student Rotarian

At last week's meeting of the Pahokee Rotary club Milton Salvatore was welcomed as the student member from Pahokee high school for the present school year. For many years it has been the custom of Rotary to welcome an outstanding student from the senior class as a member of the club for the school year. The selection of the student to be honored is left to the faculty. D. D. Caudill, principal of the school, in-

troducted Young Salvatore to the group of Rotarians at last week's meeting. He will be privileged to take another member of the high school to each meeting he attends, according to the time-honored custom.

Edwin C. Cowart, AMM 2-c, USN, who has been spending a 30-day leave with his parents, Mr. and Mrs. Reppard Cowart, and other relatives in Pahokee, left Tuesday to return to his ship the USS Boxer which is tied up at San Francisco, Calif.

Cinematic Chatter

By Malcolm Millar

Ray Milland, winner of the Academy Award for the best male performance of 1945, adds the 48th star to his flag of stellar screen roles, as a dashing Naval lieutenant in a hilarious comedy-romance, "The Well Groomed Bride," which comes to the Prince Theatre, Sunday-Monday, October 13-14th.

The piece stars Olivia DeHavilland, who is resuming her career after two years absence, and Ray Milland and Sonny Tufts, and it is reported that this is one of the laughingest shows that has been brought to the screen in some time.

The picture, tells a riotous tale of the antics of Milland, Tufts and Olivia as they scramble for possession of the last remaining two quart bottles of champagne in San Francisco, which Milland has strict orders to bring to his captain for the christening of a ship.

Milland stops at nothing to get

it, and after a series of scenes rich with laughs, succeeds in winning both the champagne and Olivia.

You see, Olivia wanted the champagne to celebrate the homecoming of her fiancé Tufts, after he had spent two years on the Aleutians.

Heading the supporting cast is the ever popular James Gleason, cast as Milland's stern superior officer, Constance Dowling, beautiful and blonde, and clever Percy Kilbride, who has much to do with the events of the picture.

I see some very fine short subjects to go with this delightful comedy and of course we will go around the world with the interesting Newsreel of the week.

See you at the movies—Mal.

CHURCH WORSHIP PROGRAM

Sunday night at 7:30, the pastor of the First Baptist Church of Pahokee, will preach as a follow up of the special series just concluded, a sermon on "Why Southern Baptists are not affiliated with the Federal Council of Churches." The pastor believe the day and rule of the Anti-Christ is not too far distant.

His work will be that of dictating world policies, economic, education, religion, etc. World thinking by worldly people is the order of the day.

The musical family of some fifty, choir, orchestra and quartet will augment the "Illuminated Cross Meditation Sing." At the morning hour of eleven, the pastor will preach on "Be of good cheer, it is I." The Ladies Quartet will sing "Does Jesus Care?" The pastor announces that in the very near future he will present a series of Bible studies, "Rightly Dividing the Word of Truth," with the aid of a chart five feet high and eighteen feet long. These talks will be given on Wednesdays and Sundays.

Belle Glade Fire Dept. Puts On Show

A demonstration of fire fighting and rescue work was staged Sunday afternoon by the members of the Belle Glade Volunteer Fire Department. The drill, which was held just north of the bridge in the center of town, was directed by Chief Lawrence E. Will, who made a talk on fire prevention and announced the features and explained the evolutions.

A line of hose was laid by the pumper truck to a fire plug and various solid and fog hose streams demonstrated. A length of hose which was made to burst under pressure was replaced. Several methods of rescuing persons from an upper floor were shown as well as reviving a person with artificial respiration.

A large crowd attended and stayed to the end in spite of a light shower of rain.

The firemen participating were Asst. Chief Bob Bair, Capt. Chas. Capp, Lt. Jack Rashley, S. H. DeJonas, Edward Allen, Howard Bair, Floyd Ashley, Nickie Paff, H. H. Pugh, Wilbur O'Hara, Carl Dean, Chas. Greer, E. Kenneth Delonas, Marvin Copeland and Fred Ogle.

This demonstration was the beginning of the Fire prevention Week program being conducted by the fire fighters. It will be followed up by inspections, and talks to the schools by Chief Will and Assistant Chief Bair and distribution of fire prevention literature.

Mr. and Mrs. I. E. Jaudon have returned to Tampa after a visit with his brother-in-law, and sister, Mr. and Mrs. Wiley Tillis, in Pahokee.

MANY TOURISTS
ST. PETERSBURG — If first day registration of tourists for the 1946 season at St. Petersburg is any indication, it ought to be a big one for the Chamber of Commerce reports 123 for the first day of the new season this year against 68 a year ago.

Twenty-five of the nation's leading railroads are represented in the 1,410 cars now on order with Pullman-Standard Car Manufacturing Company.

Rev. Blair Announces His Sermon Topic

The sermon by the Rev. William T. Blair at the Morning Worship Service of the Canal Point Methodist Church will be "The Peace of Bedtime Prayers." The service will start at 11 A.M. being preceded by the Sunday School sessions under the direction of Mr. N. V. Maxson, Superintendent.

In the evening service at 7:30, the minister will begin a series of sermons on "Triumphant Certainties." This series is planned to help the layman, in his own language, find the answer to many of the perplexing problems of Christian living in this day of continued search for the foundations of our faith. The topics in the order in which they will be presented are: "You Can Stake Your Life On This," "You Can Feel the Strength of Prayer," "You Can Find the Gift of GIVING," "You Can Know the Drive of Devotion," "You Can See the Triumph of Truth," "You Can Share the Joy of the Lord." They will be presented on the next six consecutive Sunday evenings.

The regular meetings of the Methodist Youth Fellowship will be resumed on Monday evening at 7:00. The last meeting was cancelled because of the uncertainty of the weather.

The Junior Fellowship for all boys and girls from 8 to 12 will be held each Friday afternoon at 3:00. Officers of the group will be

elected at the next meeting. The minister will furnish transportation for all children, not living in the vicinity of the Methodist parsonage where the meetings are held.

A very important meeting of the Sunday School Board will be held at the parsonage on Wednesday, October 16, at 7:30 P. M. All teachers, officers, and those who would like to teach are urged to be present at this meeting in which

our plans for the future are decided upon.

The Building Committee will meet at the parsonage at 7:30 P. M. on Thursday, October 17 to discuss further our proposed additions to our church buildings.

Mr. and Mrs. J. C. Walker and daughter, Barbara, have returned to their home in Okeechobee after a visit with relatives here.

From where I sit ... by Joe Marsal

Are Returning Veterans "Different"?

During the war you heard a lot about how hard it was going to be for returning veterans to get adjusted to civilian life ... how they'd be "different."

Well, plenty of them have returned to our town, and a finer, staidier bunch you couldn't ask for. Most of them are back at the same jobs ... going with the same nice home-town girls (getting married, some of them, and setting up families) ... renewing the same old friendships.

Even their amusements are the

same. Nothing more exciting than fishing Seward's creek or pitching horseshoes ... enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk.

If they've changed at all it's in the direction of maturity and tolerance ... tolerance for everything except dictators, and those who would destroy our democratic principles of live and let live. And from where I sit, that's another reason to be proud of them.

Joe Marsal

LIVING COSTS WAY UP

★ GREYHOUND FARES WAY DOWN

The Good News HERE'S ONE PLEASANT THOUGHT FOR TODAY!

Most everything we buy today—costs more. The things we eat, or wear, or use have taken a steady upward climb. But the picture is not altogether dark and gloomy. Floridians can find genuine satisfaction in one important commodity that has ACTUALLY DECREASED IN COST—even as service has increased. Greyhound fares are less than half they were 16 years ago!

This, we believe, in the face of all rising costs, is a stand-out achievement. Look at these comparative fares below—it's something pleasant and refreshing to think about.

Compare These Fares

| 1930 FARES | 1946 FARES |
|--|------------|
| Jacksonville-Miami | \$11.50 |
| Jacksonville-Tampa | 6.00 |
| West Palm Beach-Miami | 2.25 |
| Tampa-Miami | 9.00 |

The Power Co. Has 2-Way Radio Phone System Operating

With its new two-way radio telephone system in operation the Glades District of the Florida Power and Light Company was all set for the efficient handling of any emergency Monday as the West Caribbean hurricane approached the mainland of Florida. Luckily the velocity of the winds was much less than anticipated and there was nary a flicker of interruption in the company's service.

The FP&L's radio telephone system, put into operation last week, was originally installed for use in emergencies but the government has granted the company permission to use it for dispatching service instructions and results in stepping up the efficiency and speed of local service have more than come up to expectations, according to P. P. deMoya, Glades district manager.

The central broadcasting and receiving station, WDOX, is located in the Pahokee offices. The 250-watt transmitter has proved powerful enough not only to cover the entire Glades district but also to communicate with the company's other radio-telephone systems in the state. The 155-foot sending antenna is located across the highway from the station and the 85-foot receiving antenna is located near the Pahokee State Farmers' Market. Glades service trucks are equipped with two-way radio telephones which enable service men to keep in constant communication both with one another and with the station while in the field, thus expediting the response to emergency service calls.

To date three employees at the Pahokee office have received licenses to operate the station. They are Mr. deMoya, W. H. Acree and Mrs. Inez Reeves.

Classical League Chapter Is Formed

A Pahokee chapter of the Junior Classical League was organized Tuesday evening at the Pahokee High School by members of Latin I and II classes.

Mrs. Phara Mock, faculty sponsor, spoke briefly of the history and organization of the National Junior Classical League which began in 1936 with the aim of developing a general awareness of our debt to Rome in the fields of art, architecture, language, literature, law and government.

Ona Humphries was elected president of the Pahokee JCL chapter. Other officers chosen were Connie Marshall, vice president; Dellona Jones, secretary; Dorothy Chastain, treasurer; Louise Hamilton, reporter; David Ramey, alternate.

The new president instructed the secretary to contact all Latin students and invite them to join the chapter. A special committee meeting will be called to schedule chapter meetings, outline future programs, activities and projects. League membership emblems will be ordered Oct. 13 from the JCL national headquarters, Vanderbilt University, Nashville, Tenn.

Golden Delivers Plane To Thomas Elliott

Bill Golden of the Glades Aviation company in Pahokee this week brought in for delivery to Thomas Elliott a new Aerocub Chief. Mr. Golden brought the plane in Wednesday afternoon and delivery was made the next day. Mr. Elliott has been flying for quite a while.

Miss Margaret Anderson, daughter of Mr. and Mrs. H. J. Anderson of Pahokee, has accepted an invitation to play the clarinet in the Peabody College Band, Nashville, Tenn. Miss Anderson received her musical training in the Pahokee High School Band under the direction of Bandmaster Robert O. Lampl.

Rotary Governor Visits Pahokee Club

Al Geiger of St. Petersburg, Rotary district governor, paid his official visit to Pahokee Rotarians at their luncheon meeting Thursday of last week. Introduced by P. P. deMoya, club president, the guest of honor spoke on the widespread influence of Rotary, explaining how the work of Rotary originating in the smallest community spreads good will throughout the world and promotes harmony in international relations.

Milton Salvatore, senior and member of the Blue Devil football eleven at the Pahokee High School, was introduced as student member of the club for the current school year.

Following the luncheon the executive committee met with District Governor Geiger at which time standing committee chairmen gave the reports of club activities during the past year and outlined work plans for the coming year. It was revealed in these reports that the Pahokee Rotary Club now has a membership of 49.

Woman's Club Drops Delinquent Members

All delinquent members of the Pahokee Woman's Club were dropped from the club's active membership at a business meeting held Tuesday night in the clubhouse with the president, Mrs. Leon Spooner, presiding. Those dropped from the membership roll will be reinstated, however, upon payment of back dues, it was announced.

Named on a special committee to make arrangements for a membership drive were Mrs. Orin Bacon, Mrs. A. E. Morgan, Mrs. V. L. Geiger and Mrs. G. M. Belk. The group voted to have a "Woman's Club" sign placed on the outside of the clubhouse for identification purposes.

It was announced that a club project for the coming year will be chosen at the next business meeting, Nov. 12. Mrs. Ora W. Powell and her publicity committee will act as hostesses and members of the international committee will present the program at the Oct. 22nd social meeting.

Garrett - Peters

Miss Myrtle Peters, daughter of Mr. and Mrs. J. H. Peters of DeFuniak Springs, and Dalton H. Garrett, son of Mrs. E. L. Garrett of Pahokee, were married at the home of Judge Carl M. Crueger in Stuart, Fla., on Tuesday evening, Oct. 1. The vows were read by Judge Crueger in the presence of friends of the couple. Mr. and Mrs. J. Bruner were attendants.

The bride wore a blue crepe dress with white accessories. She is a graduate of DeFuniak Springs High School and is now employed as manager of the Western Union office in Stuart.

Mr. Garrett received his education in Sarasota. During the war he was in the Army four years including 36 months of overseas duty in the Pacific. He was awarded a Bronze Star Medal for heroic action in the Battle of Cabanatuan, Luzon, P.I. At present he is also employed in Stuart where the couple plan to make their home.

COVERED DISH DINNER

The older Young People's Union of the First Baptist Church of Pahokee will engage in a covered dish dinner Sunday, following the preaching service. The Baptist Fellowship Hall will be the scene of the event. James Harry Wilkinson, Jr., the newly elected President will preside over the business meeting. A name for the union will be discussed. The roster of officers will be made complete. Mrs. J. H. Wilkinson was appointed chairman of the arrangements committee. Mrs. C. B. Starling and Mrs. Charles Hull will assist. All in this age group are most cordially invited to attend.

MRS. HAMILTON HONORED

Mrs. M. I. Keen and Mrs. H. C. Graham entertained Monday night with a "get acquainted" party, honoring Mr. and Mrs. I. E. Hamilton who recently moved from Belle Glade to Pahokee. Mr. Hamilton is agent at the Pahokee-Canal Point FEC station.

Guests were Mr. and Mrs. H. J. Anderson, Mr. and Mrs. A. C. Libhart, Mr. and Mrs. Duncan Padgett, Mr. and Mrs. O. D. Carpenter, Mr. and Mrs. Norman Kennedy, Rev. and Mrs. C. T. Howes, Mrs. J. M. Elliott, H. C. Graham, Mrs. Parker and Mr. and Mrs. Hamilton.

GA MEETING

Mrs. Ralph Grimes, leader, presented a program on "Investments Around the World" at a meeting of the Girls Auxiliary, Pahokee First Baptist Church, in the fellowship hall Friday night. Joan Haddad gave the Scripture reading. Others taking part were Bobbie Moberg, Wynell Gillis, Mabel Mullis, Stella Sue Barnes, Elsie Stamps, Ann McCoy, Lois Sullivan, Ina Fay Wade and Begetta Wade.

Miss Jacqueline Henry of West Palm Beach visited friends in Pahokee the past week.

Legion Okehs Plan For Service Officers

Members of Fred and Percy Mansfield Post 90, American Legion, at a meeting in the Pahokee Woman's Club building Monday night passed a resolution approving the new proposed budget for the Palm Beach County Veterans Service which was submitted recently to the County Commission by the Veterans Service Committee.

In the new budget provisions were made for the establishment of another Veterans Service office in the Glades area, either at Belle Glade or South Bay, the only VS office now in operation in this section being at Pahokee. The budget also calls for the appointment of a negro Veterans Service field officer to serve negro veterans in the entire western part of the county. Adjutant Claude S. Jones was instructed to send a copy of the budget - approving resolution to the County Commission.

It was announced that Post 90 is sponsoring the negro boxing matches being held every Tuesday night in Pahokee colored town. Commander Edward A. Jensen presided at the business.

CHURCH OF CHRIST SCIENTIST

"ARE SIN, DISEASE, AND DEATH REAL?" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, October 13.

The Golden Text is: "In the way of righteousness is life; and in the pathway thereof there is no death" (Prov. 12:28).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Give thanks unto the Lord, call upon his name, make known his deeds among the people. Glory ye in his holy name; let the heart of them rejoice that seek the Lord. Glory and honour are in his presence;

strength and gladness are in his place" (I Chron. 16:8,10,27).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is neither a present nor an eternal partnership between error and Truth, between flesh and Spirit. God is as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this trait of errors,—Man who is made in the divine likeness" (p. 356:17-23)?

Second Unit Of Church Is Started

Pahokee Baptists witnessed with much joy the beginning of the building of the second unit of the threefold program, namely, Fellowship Hall which was just recently completed, the educational building and the church auditorium. When completed with the addition of a second floor to Fellowship Hall when necessary, eight hundred persons will be accommodated.

The building committee is comprised of the Messrs. H. L. Jaudon, chairman; H. L. Speer, H. Unwin, T. B. Wilson, W. Tillis, E. Keen and C. A. Eatchel. The Sunday School enrollment is over the four hundred mark with more than one hundred in the Training Union. O. Gilbert, Supt. and Mrs. W. M. DuBose, Director, respectfully.

Donald Padgett Is Head Of Youth Group

Donald Padgett of Pahokee was elected president of the Lake Okechobee Sub-District of the Methodist Youth Fellowship at a meeting held Thursday night in the Pahokee Methodist Church. Other officers elected for the newly reorganized subdistrict were Elwood Dart of Canal Point, vice president; Louise Emory of Belle Glade,

secretary and Betty Ensinger of Lake Harbor, treasurer. MYF representatives from Canal Point, Pahokee, Belle Glade, and Lake Harbor were present at the meeting.

Guest speaker was Rev. William T. Blair, pastor of the Canal Point Methodist Church, who gave a talk on "To Serve the Present Age." As a project the group decided to raise funds to assist in the construction of the proposed MYF recreation camp which is to be located near Leesburg, Fla.

After the meeting an hour of social entertainment was enjoyed in the recreation hall. Folk games were played and refreshments were served by Joy Field and her committee.

Peggy Ann Moberg Has Birthday Party

Miss Peggy Ann Moberg was recently the overnight guest of Miss Joan Wilson at her home. In honor of her seventeenth birthday, a few friends with Miss Wilson entertained her. A spaghetti dinner was served during which she was presented with a piece of silver for her set. Those completing the dinner party were the Misses Blanche Stevens and Joan McLarty, Ray Hawk and Harlan Sears.

Personal

Robert Boe, small son of Mr. and Mrs. Hugo Boe, was the house guest of Mr. and Mrs. G. B. Ramey the past week while his mother and baby brother, William Kent, were at the Everglades Memorial Hospital. Mrs. Boe, William Kent and Robert all returned to their home on Canal Point Road Monday evening.

Mr. and Mrs. J. W. Cruthirds had as a guest over the weekend her brother, Willis Smith, former Pahokee resident now living in Okeechobee.

Mr. and Mrs. A. D. Bell, Talladega, Ala., spent last weekend visiting Mrs. Bell's brother-in-law and sister, Mr. and Mrs. Seth Roberts. They were accompanied to Pahokee by Mrs. Mary McArthur, mother of Mrs. Bell and Mrs. Roberts, who will make her home here with the Roberts through the winter season.

Mr. and Mrs. W. H. Ahling of Cincinnati, Ohio, have arrived to spend the fall and winter season with their son and daughter-in-law Mr. and Mrs. Glen Ahling.

Mrs. Willie Kemp was a patient

at the Everglades Memorial Hospital the past week.

Mr. and Mrs. R. F. Hurt attended the Florida State Ice Association Convention in Miami on Tuesday, the highlight of the convention being the banquet held in the Columbus Hotel dining room Tuesday evening.

Davey Jones of Arcadia is the house guest of his uncle and aunt, Mr. and Mrs. Claude S. Jones, in Pahokee this week.

J. T. Fuqua returned this week from a business trip to New York City.

Mr. and Mrs. R. F. Hurt had as a guest over the weekend her sister, Miss June Norris of Belle Glade.

Sidewalks Cleared By Pahokee Workmen

Workmen are busy this week in Pahokee clearing weeds from the sidewalks and making the walkways accessible to pedestrians. During the rainy season it was almost impossible for workmen to keep up with the growth of weeds and grass, according to Street Supt. Marvin Cowart, under whose direction the work is being done this week. He stated that an effort is being made to get the walks cleared and keep them that way in the future.

A BAPTIST CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the father, and of the Son, and of the Holy Ghost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this Church, in knowledge, holiness and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the gospel through all nations.

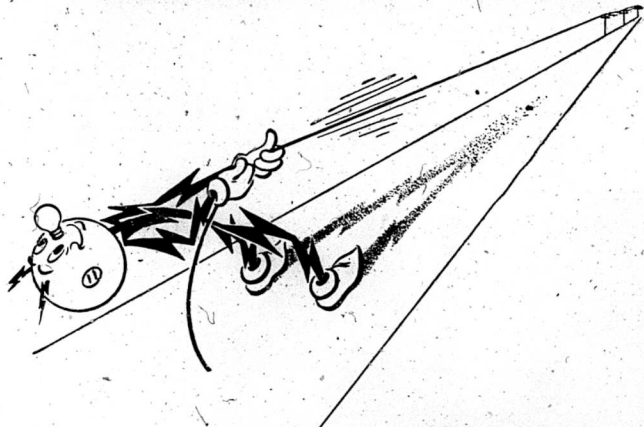

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger; to abstain from the sale of and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the Kingdom of our Saviour.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offence, but always ready for reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will as soon as possible, unite with some other church of like faith and order, where we can carry out the spirit of this covenant and the principles of God's Word.

IF WIRE WERE RUBBER!

.... It would be easy to stretch it! But we all know that even in this age of electronic miracles, there **MUST** be wire before there can be electric service in your home.

2,378,970 pounds of the 4,689,570 pounds of essential copper wire ordered by Florida Power & Light Company are still undelivered. Just as soon as we can get additional supplies of copper wire and other critical materials, the more than 2000 members of our organization will make good their pledge to bring you the benefits of cheap electric service at the earliest possible moment.

HERE ARE THE FACTS:

| MATERIAL | ORDERED | RECEIVED | NOT RECEIVED |
|----------------------------|----------------|----------------|--------------|
| Copper Wire 4,689,570 lbs. | 2,310,600 lbs. | 2,378,970 lbs. | |
| Poles | 39,550 | 23,176 | 16,380 |
| Transformers | 16,320 | 1,746 | 8,580 |
| Insulators | 195,776 | 28,230 | 167,420 |

(Materials ordered during the past year.)
